

UNISON

Your Union Needs You ...

(...but don't forget you need UNISON too)

As you will be aware we are facing hard times ahead in Local Government. We know that any cuts in budgets will have a major impact on the services currently being provided in the public sector, and therefore on our jobs.

It is essential that we work together as a branch to protect these services and jobs, and to minimise the impact of any spending cuts.

To ensure that we give you the best service we can we are looking to refine our membership details. We want to identify members by service area, by workplace and by post. I should be grateful therefore if you would complete the pro-forma below and return it to RCT UNISON Branch Office, Park View, 45 Morgan Street, Pontypridd, CF37 2DS.

It's your union, but if we don't know where you are we can't tell you what's going on – so take a minute or two and help us to help you.
